

## hydraulic crane outriggers - ATLAS 074583

- Article no.:** 3565  
**Machine no.:** 074583  
**Type:** ATLAS 074583  
**Year of construction:**  
**Price:** €1,600.00  
**Description:** hydraulic outriggers for loading cranes  
 stroke 500 mm  
 solid design with duct via square tube  
 can be telescoped mechanically with bolts 300 mm - grid 100 mm  
 outside square tube 100 x 100 mm  
 folding up device for support cylinders - can also be dismantled  
 supports can be folded down at approx. 60 °  
 construction height in retracted condition 1,000 mm with folding up device  
 with integrated counter-balance valve  
 support plate can be removed - dimensions 320 x 250 mm
