

reciprocating compressor system BOGE - SCL 915-25

Article no.: 3656
Machine no.: 372794
Type: SCL 915-25
Year of construction: 1998
Price: request
Description: suction power 915 litres /min
 volume flow 680 litres / min
 super soundproofed
 operating pressure 10 bar
 compressed air boiler 500 Liter
 - operating pressure 11 bar
 - machine no.: FE41425
 - with automatic drainage
 refrigeration dryer BOGE
 - type: DP9 / 352
