

**container turning device PROTARC - RB - ASV 75**

**Article no.:** 3667  
**Machine no.:** 4856  
**Type:** RB - ASV 75  
**Year of construction:** 1992  
**Price:** €2,400.00  
**Description:** load capacity 7,500 kg  
 roller diameter 250 mm  
 roller width 130 mm  
 adjustability of the roller from 100 up to 1,150 mm width  
 one driven roller  
 clockwise / anticlockwise rotation  
 stepless speed adjustment from 5 up to 150 cm / min  
 operation on the control box and hand control  
 electrical data 220 V  
 weight approx. 550 kg
