welding wire EWM SW70 G3Si1 - SW 70 G3Si1

Article no.: 3681
Machine no.: 097 - 004886-25012
Type: SW 70 G3Si1
Year of construction:
Price: €420.00
Description: wire diameter 1.2 mm
weight 232 kg
unalloyed solid wire electrode - copper-plated
extremely low spatter in all power ranges
optimal for automated welding
