

motoric swivel bending machine FASTI - 271 /20 / 2,5

Article no.: 3683

Machine no.: 74271005

Type: 271 /20 / 2,5

Year of construction:

Price: request

Description: working width 2,040 mm maximum
material thickness 2.5 mm maximum at 40 N/mm²
segmented coccyx 1,930 mm
bending angle adjustable 0 up to 180°
stroke of the upper cheek 260 mm
adjustment of the bending beam 115 mm
electrical data 380V /
space requirements length - 3,200 x height - 1,450 x depth - 900 mm
weight approx. 2,300 kg
