

mobile processing unit SUHNER - BEX 35 S

Article no.: 3688
Machine no.: 150 90105_120652_100937
Type: BEX 35 S
Year of construction: 2016
Price: request
Description: complete unit with control cabinet and manual operation
 tool holder ISO 40
 drilling capacity 35 mm in ST 60
 max. torque on the drill spindle 300 Nm
 concentricity 0.01 mm
 stepless speed control from approx. 200 up to 3,350 rpm with speed display
 operation by cable remote control
 precision cross table with three axes
 travel distance X - 200 mm / Y - 200 mm manually lockable

Maschinenlager
Werftstraße 17-46
32423 Minden
